MEMORANDUM FOR THE RECORD

SUBJECT: Annual Statistical Report to OPM Regarding ABP

STAT The 1982 Annual Statistical Report on ABP required by OPM came in two parts. This year the second part was new and sought enrollment information, especially pertaining to Open Season activities. In 8 February 1983 discussions with  it was agreed that we would not complete this second part and would refer any followup questions to them for resolution. Since we have never reported in this manner and our membership universe is atypical, our statistics would not be relevant.
